

Ford Territory Sportz - Roof Rack System

The latest release in our Signature Edition Series of Sportz pad mount systems is the RSP07.

With a load carrying capacity of 80kg combined with the strength and aerodynamic styling that Rhino-Rack is renowned for - makes this system the ideal option for transporting all your luggage, sporting equipment on your new Ford Territory.

Our market leading pad mount style incorporates the trim and finish of today's modern designs and enhances the smooth sleek lines of the vehicle.

All of our existing Sportz accessories will fit to this new system. Our Heavy Duty and Aero Bar options are also available.
