

# RHINO PLATFORM WHEEL CARRIER

The Rhino Platform Wheel Carrier is the ideal solution for carrying a spare wheel on top of your roof bars. Designed to fit popular tyre sizes it is available to fit both Heavy Duty bars (Part No RPWC) and Sportz and Aero bars (Part No SPWC). Kits include one metre planks, mounting hardware and Rhino Spare Wheel Holder.

Part No **RPWC** (For Heavy Duty bars)  
Part No **SPWC** (For Sportz and Aero bars)

(Crossbars not included.)
