Mitsubishi Triton 4dr Dual Cab Previous & Current Models

Introducing the latest Product Release from Rhino-Rack for the **current** and **previous** model Mitsubishi Tritons. Our new Track Mount kits are vehicle specific and designed to give you greater flexibility for your load carrying needs. This system gives you increased load carrying capacity (100kg), a sleek 'factory look' that will fit and follow the contour of the Triton's roof line by replacing the existing Turret Trim with the Tracks.

Kits available include:
