

Introducing the new canopy Post Aero Bar Adapters to suit our existing successful heavy duty roof rack canopy post upright kits.

This revolutionary canopy post adapter will fit our existing canopy upright posts, which gives the customer a choice of either the Heavy Duty bar as a standard option or the slick looking Rhino Aero bar.

The load carrying capacity remains the same with both bar types.

The new adapter kits now come standard in all CBPK kits including - CRUB / CFUB / CRCB / CFCB / CUTB-S / CUTB-B / CRAU / CFAU / CRUB-AU / CFUB-AU / CRCOM / CFCOM / CRUCOM and CFUCOM or can be purchased as an individual component.

Product number: CBPK-AERO

Kit includes hardware to suit one crossbar.

Lifetime Warranty: Applies to this product as per the details found on www.rhinorack.com
