

RPBL Large Rhino Platform Tray

Designed to transport luggage, equipment, camping gear and luggage bags the Platform Basket provides an ideal solution for transporting excess gear and freeing up much needed cabin space. Constructed from steel mesh, the platform basket is zinc plated with a black powder coated finish so it won't corrode. The platform basket is able to fit a variety of different cross bars when used with the correct fitting kit. Whether you're getting a way for the weekend or planning a holiday, this platform basket is the perfect solution to carry all your luggage and leisure accessories.

Contact our friendly sales and customer service team if you require more information on our latest products.
