

Rhino-Rack Australia would like to introduce yet another option to our extensive range of Rear Mounted Bike Carriers. The Rhino Ball Mount Bike Carrier has the following features;

- Fits 50mm tow balls.
- Carries up to 3 bikes. (max 15kg per bike)
- Two arms with rotating cradles allows a wide variety of bike frames to fit on this rack.
- Arms easily fold away and rack folds down to allow access to rear of the vehicle. (Once bikes are removed)
- Patented conic ball mount attachment system.
- Adjustable bike cradles with intergrated soft pads to protect your bikes.
- FREE Safety straps included for additional securing of your bikes during transportation.
