

**Rhino WindRider 450 Luggage Box**

The WindRider 450 is the ideal lockable car roof top luggage box, offering lots of space. The WindRider 450 is made of extremely strong & ultra-light ABS material which is resistant both to shock and ultra-violet rays.

The WindRider 450 is specially designed with springs to ease the opening and the closing of the lid without any annoying jamming of the locking mechanism or similar problems. The WindRider 450 offers you a flexible and universal mounting system to suit most crossbars. The WindRider 450 is safe, solid and combines styling and aerodynamics in a balanced design. This roof top luggage box is also a genuine all-rounder that's great for carrying snowboards, golf clubs, skis (under 1750mm long) or camping equipment.

The WindRider 450 comes complete with a U-Bolt mounting system to suit the following crossbars Rhino Sportz, Rhino Aero, Rola Sports, Thule Aero & European (square) Bars.

**Designed and engineered by Rhino-Rack Australia.**
