

The latest product release from Rhino-Rack for the Discovery 3, **without** factory tracks fitted, is now available.

This latest system offers a vehicle specific extruded track that mounts to the vehicle roof, into the factory locating points. Our three bar profiles - Heavy Duty, Aero & Sportz are available for this new track system. This new track and crossbar system is designed to give you greater flexibility for your load carrying needs. Whether its' your work gear or your weekend sports gear, Rhino-Rack has the system to suit your needs.
