

## Rhino-Rack Probox Luggage Box

Introducing the latest release in our luggage box range, the PROBOX 310 & PROBOX 420. Both feature lockable rear opening, allowing you to load your gear from 3 sides of the box for easier access. Both luggage boxes have a load carrying capacity of 50kg and have a metal strip built into the base for extra strength and support.

The aerodynamic style & design make this PROBOX range suit the lines and styling of today's modern vehicles. Whichever model you choose, you will have a solid performer that will give you greater flexibility for your load carrying needs. Both models come with the manufacturers 3-year warranty.
